

## Waveguide/Coaxial Components

DC~330GHz

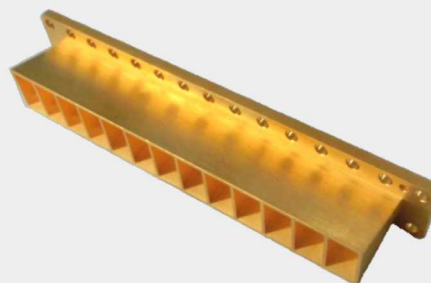

Vector Telecom provides WG to Coaxial Adapter, WG Section/Bend/Twist/Transtion,Coupler, Attenuator, Termination, Pressure Window, Rotary Joint,Calibration Kits etc.

## Microwave Antenna

30MHz~300GHz

Vector Telecom provides Standard Gain Horn Antenna , Wideband Horn Antenna, Circular Polarized Horn Antenna, Lens Antenna, Cassegrain antenna etc.

## 5G Application Products

Vector Telecom provides WG to Coaxial Adapter, WG Section/Bend/Twist, Coupler, Attenuator, Horn Antenna, MIMO Antenna, Waveguide Slot Antenna, Microstrip Antenna and VVD Antenna for 5G application.
